CDVA ONLINE SURVEY

Dear *News for Veterans* Subscriber:

The California Department of Veterans Affairs has been distributing *News For Veterans* for five months now, and our list of subscribers continues to grow. Thank you for your continued interest in the information we have been providing. Our goal is to both solicit and share important and interesting news and information about veterans' issues with the veterans communities across California.

In order to determine the effectiveness of *News For Veterans*, we have developed an online survey we would like you to complete by September 28, 2004.

The survey can be found by clicking on the link below.
